Subject: FOR YOUR RELEASE: West Lake document URLs (so far)

For the 2 documents posted so far on the staging server, these will be the URLs when they go live at 1:30 Thursday...

Enforcement Memo: http://www3.epa.gov/region07/cleanup/west_lake_landfill/pdf/bridgeton-enforcement-action-memo-12-9-15.PDF

Surface Fire Report: http://www3.epa.gov/region07/cleanup/west_lake_landfill/pdf/bridgeton-surface-fire-emergency-response.PDF

Once the **UAO** (in hand) and **Statement of Work** (pending) are staged by Cecilia on Thursday, I'll send what will be the live URLs for those as well.

NOTE: I understand from Curtis that he plans to include the URLs for these four documents in the release, even though they're not currently in the draft. You might want to verify that with him.

Thanks!
